

ATTORNEY

LOURENS ERASMUS

Lourens joined the Nelsons Legal team in January 2025, having practiced in South Africa for more than 10 years. He had wide ranging experience in civil and commercial litigation, with a particular focus on property law, including town and country planning, real estate development, strata management (including debt recovery), conveyancing and compulsory purchase claims. He has represented clients in all levels of the Court system in South Africa.

Lourens has a passion for alternative dispute resolution mechanisms, which ensure swift, economical and sensible outcomes to legal disputes, in the best interests of clients.

Lourens is working in the Cayman Islands as a Paralegal while studying to convert of his South African legal qualifications, to allow him to be admitted as an attorney in the Cayman Islands.
